About the movie.....

West Side Story, the exciting musical play inspired by *Romeo and Juliet*, thrilled the nation when it debuted on Broadway in 1957 and the world in 1961 when the motion picture premiered. It still moves the audience to the heights of emotion, from laughter to tears, when the Jets meet the Sharks to "rumble" and the action escalates.

Through beautiful music, poignant lyrics and dynamic dancing the ultimate moral of the story, however, is that violence and fighting lead to death and tragedy. There has to be a better way to get along and resolve conflicts. It begins with communication, compassion, understanding, and learning to embrace the diversity and richness of experience which each of us has to offer and gaining respect for individual similarities and differences.

Attire: Dress to Impress! (No tank tops, hats or hooded shirts please).
