

In order to print your document correctly, you should click "Done" in PDFfiller and choose "Print" on the next screen.

The screenshot displays the PDFfiller application interface. At the top, there is a toolbar with various editing tools such as Text, Cross, Check, Circle, Sign, Date, Picture, Erase, Highlight, Blackout, Text Box, Arrow, Line, More (2), Fields, Comment, Spelling, Search, 146%, and Help. The 'DONE' button is highlighted in orange and circled in red. A red arrow points from the 'DONE' button to the 'Print' option in the dropdown menu. The main area shows a W-9 form titled 'Request for Taxpayer Identification Number and Certification'. The left sidebar shows a page navigation pane with 'Page 1 of 4' and a 'PAGES' section. The bottom right corner has a 'VERSIONS' section.
